

13th Annual G Camp Shoot

The 2025 G Camp Shoot will be held on Saturday, August 23 at the G Camp in Pansy, Arkansas. While the annual event is centered around a trap shooting competition, The Shoot offers the chance to connect with friends, both new and old, while enjoying the outdoors. The 13th Annual Shoot will consist of five-man teams with an individual and team champion.

Event proceeds will support the "Friends of the G Camp" Scholarship, a scholarship for local students enrolled at the University of Arkansas at Monticello entering the fields of forestry or wildlife management.
